Wake Me Up Before You Go-Go

Words and Music by George Michael

(Swung \( \frac{7}{4} = \frac{9}{4} \))

Jitter bug.

You put the

boom boom into my heart,
you send my soul sky higher than

grey skies outta my way.
you make the sun shine brighter than

love starts.
You turn a bright spark into a flame.

Do not Day. You turn a bright spark into a flame.

bang bang bang, till my feet do the same.
If something's bugging you, if

some-thing's ain't right, my best friend told me what you did last night.
I'm your fool, tight.
we'll go dancing tomorrow night.
It's

left me seeth-ing in my bed,
cold out there, but it's warm in bed,
I was dream-ing but I

should have been with you in stead.
ev-ry-thing will be al-right.
we'll stay home in stead.
Wake me up be-fore you go.

go, don't leave me hang-ing on like a yo-yo.
Wake me up be-fore you go, go,
I don't wan-na miss it when you hit that high.

Is out of reach, not good enough, I don't know what the hell you want from me.
One step further and my back will break, if my best isn't good enough then how can it be good enough for two.
Oh, I can't work any harder than I do.

Somebody tell me (won't you tell me)

Why I work so hard for you (To give you money, work to give you money)
Oh, why do I do the things I do,
I'd tell you if I knew.
My God, I don't even think that I love you.
Won't you tell me,
give you money, work to give you money.
